

Remarks

The Notice of Non-Compliant Amendment mailed September 27, 2006 required correction of two matters in the September 5, 2006 Amendment: (1) the presentation of the amended Abstract on a separate sheet; and (2) the provision of the proper status identifier for each of the claims. In accordance with the Notice, Applicant is providing only the corrected Abstract and Claim sections of the non-compliant amendment in compliance with 37 CFR 1.121. As the Specification Amendments incorrectly appeared on the same page as the Abstract in the Non-Compliant Amendment, and in an abundance of caution, Applicant is also providing the Specification Amendments on a separate sheet from the Abstract. As shown above, Applicant has complied with the Notice.

If there are any additional fees incurred by this Amendment, please deduct them from our Deposit Account No. 23-0830.

Respectfully submitted,

Dated: 10/26/06
